Wolf Trap Campout Volunteer Survey

October 7-8, 2016

How do you rate the camp out overall? (check a box)

6	6	0	1	0
Excellent	Good	Indifferent	Poor	Very Bad

What do you suggest we do differently the next time? (tell us)

Better defined Saturday schedule. Need careful patrol supervision. A written protocol for patrol leaders would help. This would give them a better idea of what to expect.

We could be better organized

We need to let the campers learn the skills by doing. Tasks may need to be better defined

Make it sunny

Comments:

No troop gear (???)

It was fantastic

Get more campers to clean their bowls

Youth Leader Notes:

Grace Napelka: Outstanding. She started off slowly but grew into the job despite lack of help from Boy Scouts assigned to the Yellow Shirts. Make sure she comes back for the next Campout.

Katie: Excellent!

Taylor: Not up to the task.

James Ye: Weak and unhelpful on Friday. Significant improvement on Saturday.

Unwritten Comments by Volunteers

Too many experienced adult volunteers standing around with no assignment until a scheduling crisis, and there were too many of those.

No posted schedule

Early Friday schedule too tight for inexperienced campers

Medical and registration paperwork not controlled well enough
